

Mazes

MAZES is a return to the classic sword and sorcery dungeon crawler with award-winning, yet delightfully simple modern rules that put you right into the action. A thoroughly modern take on the original RPG of dragons, dice, and dungeons!

Return with us now to those thrilling days of yesteryear when paper, dice, and three thin books were all a night of D&D needed. If I remember my first setup was less than \$20 and that included a lead miniature. What can I say, I'm old.

Mazes tries to bring that quick, simple, feel back.
