

# The Goblin Deck

I like goblins. I like weenie decks. What could be better? A quick search found a deck list and Ebay provided a source. A friend was able to find a local source.

## Tokens

The goblin deck relies on token goblin fighters. If it gets cranking, it can generate 100 1/1 Goblin Soldiers easily. Usually, we use one token with a die (or 3) to indicate how many tokens are on the field. What if I wanted “real” tokens?
